

EPIC KIDS CLUB HOW TO BOOK

Selecting one child and one day is easy. You don't need to follow this guide, this guide is for MULTIPLE DAYS

If you would like to book multiple children or days, this is for you

1. Select your first date and Choose 1 Child.

Then click Add to cart (The system only supports one child)

The screenshot shows the booking interface for the Epic Kids Club. At the top, a message states: "You can only book 1 Child at a time per booking." Below this, there are two options: "Booking for 1 day only" and "Multi Day Booking". The "Booking for 1 day only" option is selected, with a note: "Perfect the system is easy and will guide you through step by step - No need to read on, just select your date and you are away." The "Multi Day Booking" option has a link to a "GUIDE" for booking multiple days.

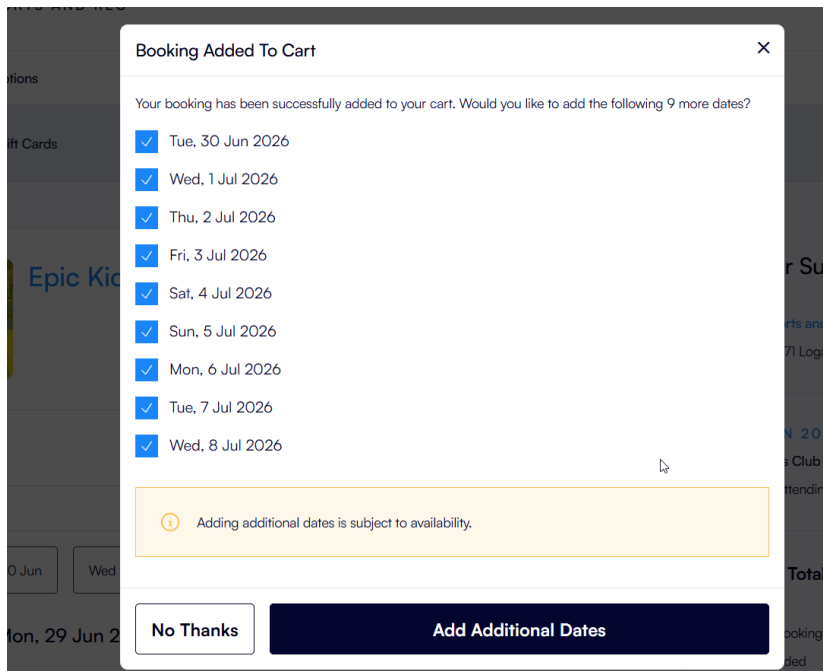

The "Select a date" section shows a date picker with "29 Jun 2026" selected. Below the date picker are buttons for each day of the week: "Mon 29 Jun", "Tue 30 Jun", "Wed 01 Jul", "Thu 02 Jul", "Fri 03 Jul", "Sat 04 Jul", and "Sun 05 Jul". A yellow arrow points to the "Mon 29 Jun" button.

The "Session Times for Mon, 29 Jun 2026" section shows a button for "9AM - 3PM". A yellow arrow points to this button.

The "How Many Children" section shows a button for "1" child. A yellow arrow points to this button. The text below the button reads: "Adding one Child to Epic Kids Club" and "Please note only one Child can be booked at any one time."

At the bottom of the interface is a large blue button labeled "Add To Cart".

2. You will then see a pop-up screen allowing you to add more dates to your booking. Any additional dates selected here will be added to the same booking.
